

Heads up Hold'em

The rules for Heads up Hold'em at this casino, set out below, are our Commitment to the players in ensuring that the gambling we offer is 'Fair and Open'. In the event of a dispute resulting from any ambiguity in the rules, the decision shall always be in the player's favour until that ambiguity has been resolved.

- The player plays against the Dealer/House.
- Head Up Hold'em also contains optional bonus wagers that are not dependent on the base game's outcome.
- Heads up Hold'em is dealt with a standard deck of 52 cards.
- To begin each round, players must place equal Ante and Odds wagers and may place optional Trips Plus, Pocket Bonus or progressive Bonus Jackpot bets.
- Once all wagers are placed, each player and the dealer receive two cards face-down (pocket cards), and five community cards are dealt face down.
- All wagers must be within the specified minimums and maximums displayed at the table.
- Each player must now do one of the following:
 - Place a Raise wager equal to 3x their Ante wager.
 - Check
- The dealer will then reveal three community cards (Flop)
- Each player who previously did not place a Raise wager must now do one of the following:
 - Place a Raise wager equal to 2x their Ante wager.
 - Check
- The dealer then reveals the remaining two community cards (turn and river)
- Each player who previously did not place a Raise wager must now do one of the following:
 - Place a Raise wager equal to 1x their Ante wager.
 - Fold and lose their Ante and Odds wager.
- Players with a Trips Plus and/or Pocket Bonus bets can continue in the game as these wagers are not determined on the outcome of the Dealer's hand
- The dealer reveals their two pocket cards and each player, and the dealer form their best five-card hand using their respective two pocket cards and the five community cards. The dealer qualifies with a pair or better.
- The dealer compares their hand to each player's hand in the following manner.
 - a) If the payer's hand beats the dealer's hand:
 - i) The raise wager is paid 1 to 1.
 - ii) If the dealer qualifies, the Ante wager is paid 1 to 1. If the dealer does not qualify the Ante wager is pushed.
 - iii) The odds wager is paid according to the corresponding win pay table in Appendix A.
 - b) If the player's hand loses to the dealer's hand:
 - i) The raise wager is lost.
 - ii) If the dealer qualifies, the Ante wager is lost. If the dealer does not qualify, the Ante wager is pushed.
 - iii) The Odds wager is paid according to the corresponding Bad Beat pay table in Appendix A
 - c) If the players hand ties with the dealer's hand:
 - i) The Raise, Ante and Odds wagers are pushed.
